

Student Design Institute: Teacher Self –Assessment

Name: _____

Class: SDI Pilot Class, Spring 2015

What were the major successes of the class this year?

What was the biggest challenge you faced in creating and implementing this class?

What was a challenge you expected to have prior to the first day? Did it happen?

What was a challenge that was completely unexpected?

Moving forward, what are the key things we should add and/or drop to make this class more successful?

Any other thoughts you want to share about the class?
