

## Service Learning Questions for Mr. Bishop

Introduce yourselves as part of the Service Learning Program

1. Do we (Service Learning) have permission as our project to improve the atmosphere of PHS by painting the walls we find would need the most help?
2. We have identified the history wing, math hall, and 2nd floor above the lockers as places that need the most work. Do you have any input on these? What would you like to see done?
3. Do you have any future plans for anyone to paint these wings?
4. Do you know if there is any funding for Service Learning or any companies that work with the school for paint?
5. What days and time of day would we be allowed to paint? For example, would it have to be a weekend so it could dry?
