

Think-Write-Pair-Share: Performance Criteria/Did I Sheet

Think: Did I.....

- ___ 1. Review the performance criteria on my own?
- ___ 2. Resolve any questions I had about the performance criteria by getting help from my teacher or another student?
- ___ 3. Gather all of the resources I would need to complete the task?

Write: Did I.....

- ___ 4. Carefully complete my work with the performance criteria in mind?
 - ___ • Utilize all available resources?
- ___ 5. Meet all of the performance criteria?

Pair: Did we.....

- ___ 6. Exchange our work with one another?
- ___ 7. Give one another plenty of time to carefully read one another's work with the performance criteria in mind?
 - ___ • Write down our clarifying question(s), positive observation(s), and suggestion(s) on sticky notes to share and discuss with my partner?
Sample clarifying questions:
 - "I'm not sure I understand what you wrote here. Can you explain this to me?"
 - "Why did you do that (or put that there)? I'm not sure I understand?"
- ___ 8. Take turns asking and getting answers to our *clarifying questions* to make sure we understood what each of us had written down and why we did what we did?
- ___ 9. Take turns discussing one another's work, with the performance criteria in mind?
 - ___ • Make some *positive observation(s)* about one another's work?
 - ___ • Make some *suggestion(s)* to help one another clarify any misunderstandings we had or to make our work even better?
 - ___ • Push one another for more and better work.
 - ___ • Work towards consensus: Identify and resolve any differences in opinion we had (or agree to disagree)?
 - ___ • Listen to, build on, and learn from one another's responses?

Did I.....

- ___ 10. Revise my work in another color, as needed, in response to my partner's questions, observations and suggestions?

Share: Did I.....

- ___ 11. Share my final results with the whole group; include what I struggled with or was unsure about; refer to the performance criteria?
- ___ 12. Build on and learn from other students' responses?
- ___ 13. Revise my work again when I was introduced to ideas or information my partner and I hadn't considered?
